There are medically documented success reports of these and many other illnesses:

depression drug addiction urinary incontinence menstrual disorders cardiac arrhythmia defective vision e sclerosis

South German Sunday Post, 1949: "It's incomprehensible!" Bruno Gröning heals the lame, the blind, the mute ...

The extraordinary healings that occurred through Bruno Gröning (1906-1959) ushered in a new era of spiritual healing.

Bruno Gröning left behind the knowledge of how to absorb a natural **healing power** that can bring long-lasting health to every human being. Back then and still today, healings from decades-old chronic illnesses, as well as from drug and other addictions, have occurred worldwide.

This is confirmed by numerous success reports that have been carefully examined by doctors of the Medical Scientific Group and documented using medical evidence by independent physicians.

Doctors, psychologists and healing practitioners of the Medical Scientific Group regularly share their experiences through lectures, both domestically and internationally, in order to make Bruno Gröning's knowledge accessible to all people everywhere.
