Walk Together

We need you to help stop bowel cancer. Join us as we Walk Together on Saturday 23 September and help fund our vital research and lifesaving work.

Walk Together is our new five mile sponsored walk to bring people together so that they can show their support for those undergoing treatment, remember loved ones and help raise funds to stop bowel cancer.

Walk Together events are happening in London, Edinburgh and Belfast on the same day at the same time – Saturday 23 September at 11am. If you can't make our date or locations, you can organise your own Walk Together event somewhere special in your local area.

Sign up for Walk Together

"Bowel cancer is the second biggest cancer killer in Northern Ireland, but it doesn't have to be. It's treatable and curable especially if diagnosed early. Join Bowel Cancer UK this September and Walk Together in Belfast to give hope to those being treated, show our support for families, remember loved ones and help raise funds to stop bowel cancer."

**UTV Presenter and Bowel Cancer UK Patron,
Pamela Ballantine**
