# STANDARD UTILITIES

Connecting Businesses.  
Everywhere.

## ABOUT US

We're the only telecoms provider that covers the whole of Ireland, as well as the UK and the Isle of Man. We've won awards for our engineering. And, despite our name, there's nothing standard about us!

*TECHNOLOGY AT YOUR  
FINGERTIPS...*

There's little we can't achieve when it comes to business connectivity. After all, we are experts in our field...

Whether it's Hosted or Traditional Phone systems, Video Conferencing solutions or connecting you to the rest of the world, to help grow your business, we've got you covered.
