## Our Core Aims

• To provide temporary accommodation to women and their children suffering mental, physical or sexual or financial abuse within the home.

• To encourage women to take control of their own future, whether this involves returning home or beginning an independent life.

• To recognise and care for the emotional needs of the children and young people involved.

• To offer support and advice to any woman who requests it, whether or not she is living in temporary accommodation and to offer supportive aftercare to women moving on.

• To educate and inform the public, the media, the courts, social services and other agencies, always mindful of the fact that the abuse of women is a direct result of the general position of women in society.

We will create a centre of excellence that leads in partnership working to develop and sustain nonviolent healthy communities in the North West.

We exist to eliminate violent behaviour by supporting all victims of abuse through support, prevention, protection and justice.
