

## INVITATION TO TENDER FOR

### Counselling / Psychotherapy Sessional Panel 2024-25

Adopt NI is an independent registered charity established in 1989. Our main priority is to support any adult impacted by the lifelong journey of adoption or separation from their family of origin (birth mothers, adult adoptees, adopters, and siblings). For 30+ years we have delivered support services, counselling, tracing and intermediary services for any adult linked to the adoption triangle. Adopt NI supports individuals who have been impacted by Mother and Baby Institutions, Magdalene Laundries, Workhouses and their pathways and practices in Northern Ireland.

We are inviting tender applications to build a regional sessional panel from qualified, experienced counsellors or psychotherapists to deliver talking therapies on a sessional basis. Successful applicants will provide the service as self-employed, independent contractors. We are also interested in hearing from therapists with specialist skills in animal assisted therapy, art, eco and creative therapies as well as family constellation work.

Tender application form and relevant documents are attached in the links.

Completed application forms and documentation must be returned by Thursday 19<sup>th</sup> December at 5PM. Late applications will not be considered.

Please return completed applications by email, marked private and confidential and stating 'Tender for sessional counsellors/ psychotherapists' to: [india@adoptni.org](mailto:india@adoptni.org)
