

INVITATION TO TENDER FOR

Sessional Support 2024-25

Adopt NI is an independent registered charity established in 1989. Our main priority is to support any adult impacted by the lifelong journey of adoption or separation from their family of origin (birth mothers, adult adoptees, adopters, and siblings). For 30+ years we have delivered support services, counselling, tracing and intermediary services for any adult linked to adoption.

We are inviting tender applications to build a regional sessional panel from qualified, experienced therapeutic support workers to develop peer support groups and one to one support on a sessional basis. We are also interested in hearing from applicants with experience of art, eco, creative and somatic facilitation as well as family constellation work. Successful applicants will provide the service as self-employed, independent contractors.

Tender application form and relevant documents are attached in the links.

Completed application forms and documentation must be returned by Thursday 19th December at 5PM. Late applications will not be considered.

Please return completed applications by email, marked private and confidential and stating 'Tender for sessional support' to: india@adoptni.org
