

Northern Ireland Delivery Officer – West (Part-Time)

March 2025

Note from our CEO

Thank you for expressing an interest in this important and exciting role.

It has never been a harder time to be a young person growing up in the UK. One in four children live in poverty. Recorded knife crime has more than doubled in the past five years. 80% of young people note their mental health has worsened in recent months and youth unemployment is at an all-time high. With youth provision reduced by over 40% since 2015, an already challenging future has been exacerbated by the cost of living crisis which has disproportionately affected the most disadvantaged and widened inequalities.

Amid the gloom, thousands of community sports groups operate, not to create the next sporting superstar but to remove barriers from young people's lives to allow them to thrive against the odds. We are the UK's largest network of community sports groups and we exist to provide our groups with the skills and funding needed so they can become sustainable and deliver their services to those most in need.

If successful, you'll be joining a remarkable Sported team of over 50 people with backgrounds and specialisms ranging from social/youth work and business development to sport development and econometrics. The delivery team are local to their members and reside across the UK. Our team in Wales is supported by a central office in Borough, London.

Even more capacity is provided by our skilled, knowledgeable and passionate volunteers, who now number more than 200, and who work with the leaders of our member groups – most of them also volunteers – to build the effectiveness and sustainability of their organisations, so that they can do what they do best: positively influence and change the lives of young people.

For more information about Sported, our services and our impact, please see www.sported.org.uk

Whether or not you apply for this role, and whether you are successful or not, I'm grateful to you for considering bringing your skills and energy to Sported and our wonderful members.

Yours faithfully,

Sarah Kaye
Sported CEO
