CRIMINAL CONVICTIONS / WORKING IN REGULATED ACTIVITY

Have you ever been convicted of a criminal offence or are there any charges outstanding?

YES

NO

If so, please give full details. *You need not include motoring convictions unless your driving licence has a current endorsement as a result, and you need not include convictions which are "spent" (although details of "spent" convictions may need to be disclosed in an application for a criminal background check, if applicable to the role).*

This role requires the post-holder to work in "Regulated Activity", which is any activity that a person working in Northern Ireland must not do if they have been barred by the Disclosure & Barring Service (DBS) from working with children or adults. It is an offence for a barred person to apply to work in Regulated Activity.

Having a criminal record will not necessarily debar you from working with us. This will depend on the nature of the position, together with the circumstances and background of your offences or other information contained in a disclosure certificate. A copy of our Recruitment of Ex-Offenders Policy and Policy on Secure Handling, Use, Storage and Retention of Disclosure Information is available upon request.

Is there any reason why you cannot work in Regulated Activity?

YES

NO

Do you have the right to work in the UK? *Note: the employer will require proof of this right before an offer of employment can be confirmed.*

YES

NO

The remainder of this form is used to record the other qualities and experience which are required from the Person Specification & Job Description (enclosed with the recruitment pack).

Only those applicants who appear from the information contained in the application forms to be the most suitable in terms of relevant experience and ability will be short-listed for interview. You should note that candidates who do not demonstrate below how they fulfil all of the essential criteria will not be shortlisted for interview. The employer reserves the right to shortlist on the essential criteria only or on the essential and desirable criteria as identified in the Person Specification as may be appropriate.

It is essential that you fully describe in each of the following sections how you meet the particular experience and qualities sought, giving examples and specifying exact dates as appropriate.

If necessary, you may attach an additional sheet where there is insufficient space in the boxes provided. If attaching a continuation sheet, please clearly mark on the continuation sheet the section number to which the continuation sheet refers. Please limit your answers to one continuation sheet per section below.

ESSENTIAL CRITERIA

With reference to the person specification, please explain below how you meet the following essential criteria, giving examples and dates where appropriate.
