

# POLICING MATTERS SEMINAR SERIES

The Northern Ireland Policing Board is hosting a series of lunchtime seminars to facilitate discussion around a number of key policing issues.

Drawing on expert opinions from across the policing and criminal justice sector and other sectoral leads, the seminars will provide an opportunity to explore issues and discuss how policing policy and practice can best respond to meet the challenges ahead.

The first two sessions will be held in the Policing Board's offices at Waterside Tower, 31 Clarendon Road, Belfast BT1 3BG from 12-2pm. Venues for the other seminars will be confirmed.

If you can't attend in person you can join the debate and discussion via livestream on our You Tube Channel @policingboard #nipblive #policingmatters

Please let us know if you wish to attend by emailing [rsvp@nipolicingboard.org.uk](mailto:rsvp@nipolicingboard.org.uk).

Car parking is not available at the Board. However, a car park is located at the entrance to Clarendon Dock. Waterside Tower is a short walk from the City Centre.
